# The Dominican Republic, Ecuador, and Beyond

## Doug & Paula Hodges

July 2020

Dear Friends,

What a year this has turned out to be for all of us!!!! But, through it all our Heavenly Father has led, blessed and kept us by His marvelous grace. We left the Dominican Republic ahead of the closing of the country and are settled into our home in Alabama.

Paula and I are excited about the potential of recruiting new missionaries. We are praying that God would allow us to add 2-5 new teams for Daystar Baptist Missions. The strategy of ministry employed in the Dominican Republic can be utilized in other countries. Would you join with us in prayer that God would send out missions teams to "make disciples and multiply disciples of all nations"?

We are making our plans to visit colleges and churches to present these open doors. These plans may be adjusted or delayed by the pandemic, but our God is in control. We continue to trust Him for wisdom in moving forward. By the way, if you know of a family interested in being a part of a team church-planting ministry, we would love to share our ministry philosophy with them.

In the meantime, we have been asked to help as "transitional pastor" for the Spanish ministry of Grace Baptist Church in Chattanooga, TN. I have never seen a more excited group of people for spiritual growth. Pray for this ministry and our travels to and from Chattanooga.

Please know how grateful we are for every faithful supporter that stands with us in carrying the Gospel to the Nations.

*Discipling the Nations.*

*Doug and Paula Hodges*

PS: New Prayer Cards are being mailed. Let us know if you need additional cards.
