Fall 2020

Happy fall season to all of you from Assistance and Relief Missionaries Steve and Debbie Kissling. We love this time of year when the leaves change color and the days and nights are cool. We thank the Lord that we have remained well during this time of the Covid virus. *Proverbs 3:27 Withhold not good from them to whom it is due, when it is in the power of thine hand to do it.* This verse reminds us to keep looking for ways to serve the Lord right where we are while we wait for countries to open up for us to travel and give a fellow missionary family a furlough. We helped give out food to needy families close to our home church, Hope Baptist, for several weeks. From this outreach our church started a bus route to bring children to Hope on Wednesdays and Sundays. On Wednesday and Sunday night a meal was provided for the children. Steve helped on the bus route and Debbie taught during the Bible story time on Wednesday nights. Please pray our church can reach the families of these dear children with the Gospel of Jesus Christ.

While the weather is good we help on Saturday mornings with "Drive Thru Prayer" in front of our church property. We invite folks to come by for prayer and conversation. We give them tracts and invite them to come visit our church.

The heart doctor gave Steve the good news in June that he is safe to travel to another country when this becomes possible again! We are waiting for the Lord to open the right door for us to travel somewhere and give a missionary family a much needed furlough. Please pray with us about this.

We want to thank all of you for praying for us and for the faithful support many of you give to help us as Relief Missionaries. If we could be a help to your church with a special time to come and minister to your church family, please contact us. We can help your church family with: teacher training classes, Bible time for the children, Steve preaching, and Debbie speaking to the ladies. We want to do what Proverbs 3:27 teaches by serving the Lord where needed. May the Lord bless the ministries your churches have.

Please pray for these requests:

1. Healing for Steve from hernia surgery that he had on October 2, 2020.
2. Pray about our coming to your church to minister to your church families.
3. Pray for an open door of opportunity for us to travel overseas to give a missionary a furlough time.
4. Pray for revival in our lives and country.
