“Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified, even as it is with you .” 2 Thessalonians 3:1

We are grateful for your faithful prayers. As we begin new ministries and work alongside the Brazilian pastors and church members, we know that there will be challenges; and COVID-19 has definitely added another aspect for greater attention to details as we minister in these new areas. We look forward to what the Lord has prepared in northern Parana!

The procedures for planting a church have changed a bit due to government restrictions, but that is not discouraging! We will prayerfully move forward as God opens the doors and allows more opportunity for personal contact. Currently, Brasil has the same restrictions for social distancing and facial coverings, but we will be able to meet for church services at least once a week. Things are beginning to open, so we are rejoicing that people can begin to purchase basic items.

Please pray for wisdom - that God would direct us in the beginning stages of the new ministries, that we will be open to His guidance, and also, that He would give us the spiritual and physical health we will need in the days ahead. We are trusting in Him. Thank you for praying for us!

Adapting to family and ministry needs

We have been encouraged as we continue to minister during this time of quarantine. It has been a joy to be able to visit with our family and other believers via Skype and electronic messages. This photo was taken on the day that Great-grandma was introduced to MaeBelle; four generations in three different locations!

It has been a blessing to hear how Christians have been challenging one another to be faithful in their Bible study and to reach out to those who are isolated. Pray that God will continue to open our eyes to see the spiritual need around us!
