JULY-SEPTEMBER 2020

Dear Praying Friends,
I trust this letter finds you well.

We hope that you are staying safe from the Covid-19 virus, wherever you may be at. We certainly are safe, virus free and have been kept by God in an area with few cases. It has been challenging to do ministry for the past 3 months, The pandemic has altered the way we do Church and Mission work here in the Philippines. However, the Lord is continuing blessing the work because Nothing is IMPOSSIBLE WITH HIM! JULY-SEPTEMBER in the church, would have been our busy months, nothing ended as we would have liked, but the health of everyone is more important! But we have not been idle! since **JULY** we have been working with the local officials, police and few doctors in this village handing out relief goods and medical supplies, while my wife help the ladies in the church to cook meals for our children's & feeding ministry mostly every day now, since our work force this pandemic is very minimal, because of the government's health protocols, We temporarily set up an online service and since we cannot do a Physical soul winning & visitation, we set up a phone call ministry every week, to call and check our folks and pray for them and encouragement with the scriptures. We also set up our soul winning by phone, what we do is we dial any number and when they answer we will share them the Gospel.

We praise God last **August** one elderly man got in contact and was lead to the Lord by one of our bible student, a young woman who is depressed about this situation gave her life to the Lord. Also, **SEPTEMBER** I had the opportunity to preach a sermon, "Salvation is not a Reward but is a GIFT" to our local officials meeting. A fresh graduate Policeman got saved and 3 public school teacher got saved! We praise God that even though the world is in these trying times He is still saving lives!

Also, we have been able to help families in our church, especially their children and the hungry kids in the community. and this was made possible through your Faithfulness and Prayers. If you can still give we will appreciate it.

The gospel opportunities are all around us! I hope you will be able to tell someone about the good news today! Thank you for your prayers, support and partnership in the work of the Lord Jesus Christ! We love you all and keep you daily in our Prayers!

In HIS CARE,

Brother Darwin Tolibas & Family
