

To Our Faithful Supporters and Prayer Partners,

Last week, I preached from Deuteronomy 6:4-6 and challenged parents to have as their primary goal for their children to grow up to love the Lord with their whole being. This, more than anything else, should shape and inform all our other goals and dreams that we may have for our children.

Dt. 6:5, "And thou shalt love the Lord thy God with all thine heart, and with all thy soul, and with all thy might."

One of the truths that challenged me is that in order to pass this devotion on to our children, our own hearts must be fully devoted to the Lord. It's easy to get focused on other people's needs and fail to examine our own hearts.

Covid Wave - Again

We are going into the winter months here in South Africa and we are seeing a large increase in cases of Covid. Thankfully the cases are not as severe and most people are recovering without going to the hospital. It is nevertheless disruptive to church ministry. We have so many people sick at this time, we had to cancel our Sunday service this week. Sharan also tested positive for Covid last week. Thank you for your prayers as we seek to keep our ministries going.

Personal Gifts

We are so thankful for many of you who have blessed us over the years by sending personal gifts to us. To avoid taxation on these gifts, ABWE has requested that personal gifts should be sent directly to us rather than through ABWE. These are non-

ministry gifts such as for birthdays, Christmas, etc., and should be sent directly to our US address:

You can also send personal gifts to us using Venmo.

AFRICAN TRADITIONAL RELIGION FROM A BIBLICAL PERSPECTIVE

Please pray for a special conference hosted by our Biblical Leadership Institute here in George next week. We are hoping that several African pastors will attend and that it will be used by the Lord to encourage and help us all to better minister in the African culture and religious context.

US Ministry Trip

Please pray for our US ministry trip (July - September). We are reporting back to several of our supporting churches and also some new churches. (We are currently \$460 short of our required monthly support.)

Trusting in Him,

Bryant & Sharan
