
GIVE THANKS...

Fall 2021

Greetings from ARM – (Assistance and Relief Missionaries) Steve and Debbie Kissling. We love the season of fall here in Indiana. We hope you are enjoying the changing of the season where you live. *Psalm 95:2 Let us come before his presence with thanksgiving, and make a joyful noise unto him with psalms.* As Psalm 95:2 declares, we want this prayer letter to be a message of praise and thanksgiving to the Lord for His blessings in our lives.

August: we are thankful for the time spent at the Indiana State Fair Amazing Grace booth passing out tracts and talking to people about the Lord. **September:** we are thankful for the great time we had teaching the children at one of our supporting churches on a special “missionary night.”

Also in **September** we attended a mission conference in Evansville, Indiana, at one of our supporting churches. We are thankful that Steve was able to share our ministry and Debbie enjoyed teaching the children in Sunday school at this fine church. **October:** We are thankful for the Harvest Festival night on October 31 at our home church, Hope Baptist. This was a night for the community to come and enjoy free food, candy, games, and to be given tracts to share the gospel with them and invite them to come visit our church. **November:** We have been invited to share our ministry at two of our supporting churches, one in Brownsburg, Indiana, and one in Bryan, Ohio. We are thankful for the opportunity to share our new PowerPoint presentation with these wonderful church families. And of course we are thankful for all of you who take the time to read our prayer letters, pray for us, and for the faithful support many of you give to help us serve as relief missionaries. We wish all of you a very happy Thanksgiving with your family and friends.

Prayer requests:

1. Continued good health and safety for us.
2. A door to open soon for us to travel somewhere and give a missionary family a needed furlough time away.
3. Pray daily for the military families stationed around the world.

Thank you,

Steve & Debbie Kissling
