What a joy it is to share the news that Sr. Alpipio and Dna. Maria have put their trust in Christ during this past month! Within the past two weeks, five young people have also been saved through the ministry in Mauá da Serra! Rejoice with us!

We still are under restrictions, but we have had more liberty in recent weeks which has allowed us to have more contact in the market place and in homes!

Progress!

We have had several full weeks as we began work on the initial stage of Faith Baptist Church in Tamarana. We were well over the covid limits for our borrowed meeting place, so the need for a larger meeting space has been an issue. This initial phase will be absorbed into a larger building as the Lord provides the needed funds to continue moving forward.

This new building will give Annette a children's room so she will not have to continue to meet with the younger ones outdoors under a tarp. We rejoice in God's protection and in His guidance as we minister in this new area.

Weekly Bible studies are a great blessing as we watch these new believers grow in their Christian faith. Many of them have not had the privilege of schooling beyond the 6th grade, so we will continue to study together and help them understand God's Word and apply it to their lives. Thank you for praying with us!
