Barnabas Ministry

There is an Oriental proverb that states: "Choose a job you love and you will never have to work a day in your life." That has to describe our missionary ministry!

Besides the ministry in Tamarana, we have been able to help in several of our sister churches, preaching, teaching, and even helping with some building projects.

We are thankful that God has given us the privilege of serving Him! Thank you for praying for us!

Praise & Prayer

- Praise the Lord for spiritual growth of new believers in Tamarana!
- Praise the Lord for protection and good health as we serve Him.
- Pray for the continued evangelistic outreach in Tamarana and souls to be saved.
- Pray for new contacts that were made in Tamarana this month.

Thank you for your faithful prayers, words of encouragement, and support as we serve the Lord together in southern Brazil. We praise the Lord for you!

Faith Baptist Church in Tamarana

Fabricio leads the service.

Evangelism time in Tamarana.

Celebrating 35 years of marriage with Clarice and Sergio.

We are rejoicing in God's care for the growing church in Tamarana. A young Bible college student has been helping with the ministry during his winter break from school. The people have accepted Fabricio as "their own" and his concern for their spiritual growth is very evident, too.

We have been thankful for a good group of church members participating in weekly evangelism, but it has been more exciting to hear their experiences as they witness at school, work, and in their neighborhoods! They have been encouraged to have their neighbors visit the church, take part in Bible studies, and ask them questions about God's Word.

Most days we get several messages from these young Christians asking for verses to help them as they take the Word of God to those friends and neighbors who have questions! Thank you for praying with us!
