 Your missionaries to Brasil

What a joy it is to see God work in lives! Six-year-old Lucas has been a “handful” during Bible class and we have spent much time in prayer and visiting this youngster and his four brothers. Two weeks ago, Lucas was very well-behaved in the service and I praised him for paying attention and for helping his mother. The following week, when Lucas arrived at church, he picked up the song books and stood at the door, making sure that everyone who entered received a song book and a handshake! Thank you for helping us to minister physically and spiritually to these young families.

Praise & Prayer

- Praise the Lord for completion of our meeting place in Tamarana!
- Praise the Lord for His protection as we travel to ministry meetings.
- Pray for the continued evangelistic outreach in Tamarana and souls to be saved.
- Pray for spiritual growth of the new believers.

The Barnabas Ministry

We have had a blessed start to 2022, serving the Lord in several churches in northern Parana as their pastors were taking a few days off for rest and recovery. We are grateful for the opportunities to serve in this special way. One special blessing was preaching the 6th anniversary service at Calvary Baptist Church in Londrina! What a joy to celebrate with this dear church family!

Thank you for your faithful prayers, words of encouragement, and support as we serve the Lord together in southern Brazil.

I was recently notified that I have completed all the requirements for the Master of Arts in Leadership from Carolina University. These studies have been so helpful as Annette and I minister with our young churches and the national pastors and their wives. I am grateful for each of the classes and their patient professors, along with the excellent information I have received through these past years in my course. Above all, I am grateful for the Lord’s help through this time of study and for the support I have received from my family and friends. You have encouraged me and supported me and I praise God for each one of you!
