 Your missionaries to Brasil

September
 & October
 2021

It is a great joy to see people saved and put their trust in the Lord. Jhon (pronounced John) and Camila were saved recently and want to obey the Word of God. This week they are getting the documentation in order so they can be married legally.

Jhon, Camila, and their son, Miguel

The entire church family is thrilled and we are going to work together to give them a special celebration where they can share their faith in Christ and rejoice in God's care for them. Please continue praying for this young family.

Praise & Prayer

- Praise the Lord for His protection and His care
- Praise the Lord for spiritual growth of the new converts

Exciting Days in Tamarana

Rejoice with us - we keep outgrowing our meeting places! Lord willing, we will be able to hold services in our newest building this month! This building will have a meeting room for 25-30 people, plus a smaller room for the children's ministries.

In September we were able to put on the roof, and the first week of October we poured a rough concrete floor. The church family is so excited that we will be able to meet in our own building. As the Lord provides, the permanent church building will be constructed around this temporary phase.

To help people arrive for services, God has provided a VW kombi. We have driven kombis in years past and know how God used them in our former ministries. Pray with us that God will use this vehicle for His glory, that we might see His work continue to grow.
